

# Warranty for IIAF Audio

Warranty must be registered within 30 days of installation at [www.iiafaudio.com](http://www.iiafaudio.com) under the warranty registration tab. When purchased from an Authorized IIAF Audio Dealer, IIAF Audio warrants this product to be free from defects in material and workmanship under normal use for a period of THREE (3) YEARS from date of original purchase. If this product is identified as "Refurbished" or "B Goods", the warranty is limited to a period of THREE (3) MONTHS from date of original purchase. In all cases you MUST have the original receipt. Should service be necessary under this warranty for any reason due to manufacturing defect or malfunction during the warranty period, IIAF Audio will repair or replace (at its discretion) the defective merchandise with equivalent merchandise. Warranty replacements may have cosmetic scratches and blemishes. Discontinued products may be replaced with more current equivalent products. This warranty is valid only for the original purchaser and is not extended to owners of the product subsequent to the original purchaser. Any applicable implied warranties are limited in duration to a period of the express warranty as provided herein beginning with the date of the original purchase at retail, and no warranties, whether express or implied, shall apply to this product thereafter. Some states do not allow limitations on implied warranties; therefore, these exclusions may not apply to you. This warranty gives you specific legal rights; however you may have other rights that vary from state to state.

## **WHAT TO DO IF YOU NEED WARRANTY OR SERVICE**

Defective merchandise should be returned to your local authorized IIAF Audio dealer for warranty. Assistance in locating an Authorized Dealer can be obtained by writing, calling, or by visiting [iiafaudio.com](http://iiafaudio.com). You can confirm that a dealer is authorized by asking to see a current authorized dealer window decal.

If it becomes necessary for you to return defective merchandise directly to IIAF Audio, call the IIAF Audio Customer Service Department at 1-405-249-1607 for a Return Merchandise Authorization (RMA) number. Package all defective items in the original container or in a package that will prevent shipping damage, and return to:

**IIAF AUDIO**  
**4517 Westgrove Drive, STE 230**  
**Addison, Texas 75001**

The RMA number must be clearly marked on the outside of the package. Please return only defective components (tweeter, crossover, plug, etc.). The return of functioning items increases your return freight charges. Non-defective items received will be returned freight collect.

Include a copy of the original receipt with the purchase date clearly visible, and a "proof-of-purchase" statement listing the Customer's name, Dealer's name and invoice number, and product purchased. Warranty expiration on items without proof-of-purchase will be determined from type of sale and the manufacturing date code. Freight must be prepaid; items sent freight collect, or COD, will be refused.

Failure to follow these steps may void your warranty. Any questions can be directed to the IIAF Audio Customer Service at 1-405-249-1607.
